v.

Hall, Edward A.

Cheryl A. Butler, Interlocutory Attorney:

Applicant's motion (filed October 26, 2005) to suspend the proceeding pending final determination of the civil actions involving the parties is hereby granted. See Trademark Rules 2.127(a) and 2.117(a). The Board has reviewed the complaints submitted and finds that determinations that may be made in the court cases may have a bearing on the instant opposition.

Accordingly, proceedings are suspended pending final disposition of the civil action between the parties.

Within twenty days after the final determination of the civil action, the interested party should notify the Board so that this case may be called up for appropriate action. During the suspension period the Board should be notified of any address changes for the parties or their attorneys.
