Opposition No. 91167232

-----  
**STIPULATED MOTION FOR RESETTING OF  
DISCOVERY AND TESTIMONY PERIODS**

Pursuant to 37 C.F.R. §§ 2.120 and 2.121, Opposer and Applicant hereby request that the Board re-set the dates for the close of the discovery and testimony periods in this proceeding such that each such period closes ninety (90) days later than was set in the Board's initial trial order dated November 1, 2005. This request is made because Applicant and Opposer have been, and are, in communication regarding the applications which are the subject of this Opposition and they would like to be able to continue to pursue the possibility of a settlement of this matter which would not require prosecution of the Opposition to a conclusion, without having to meet deadlines for discovery and testimony while those discussions are taking place.
