Opposition No. 91167640

Nash-Finch Company

v.

DEBISOL S.A.

On April 17, 2006, the parties filed applicant's proposed amendment to its application Serial No. 78345722, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods in International Class 29 **from**

"Raw, cured, or cooked bovine cold meat"

to the following:

"Bovine cold meat, namely bresaola (air dried beef), roast beef and pastrami, all sold separately and not for use on pizza or an ingredient in any prepared food."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
