OPPOSER'S MOTION TO EXTEND TRIAL DATES

Marriott International, Inc. ("Opposer") hereby moves the Trademark Trial and Appeal Board to reschedule Opposer's testimony period so as to close sixty days later than the current closing date, which is September 1, 2007.

The time for taking testimony may be extended or rescheduled upon motion granted by the Board. 37 C.F.R. Section 2.121(a)(1); see TBMP Sections 701 and 703.01(c). As this motion is brought before the opening and expiration of Opposer's current testimony period, the Board may extend the testimony period for good cause shown. Fed. R. Civ. P. 6(b); TBMP Section 509.01. Opposer respectfully submits that good cause exists for granting this motion.

On July 2, 2007, the Board issued an order compelling Applicant to respond to Opposer's outstanding discovery requests, and allowing Applicant 30 days (until August 1, 2007) to comply. The Board also reset the trial dates, so that the Opposer's testimony period would open on August 3, 2007.

At the date hereof, Applicant has not provided any responses to Opposer's discovery requests. Moreover, even if Applicant were to comply with the Board's order within the required time period by mailing its responses, it is likely that Opposer would not receive the responses until after the opening of Opposer's testimony period. Opposer would then need to use part of its testimony period for the review and analysis of Applicant's responses. In addition, the current schedule would require Opposer to make plans regarding the taking of testimony while substantial uncertainty exists as to the facts of the case and even the procedural posture of the

case. In any event, Applicant has not yet complied with the Board's order compelling discovery and there is a substantial possibility that the Applicant will not comply at all.

The foregoing facts demonstrate that good cause exists for granting this motion and that the requested extension of time is not necessitated by Opposer's lack of diligence or unreasonable delay.

Accordingly, Opposer requests that the trial dates in this proceeding be reset as follows:

Discovery period to close:	CLOSED
30-day testimony period for the party in the position of plaintiff to close:	October 31, 2007
30-day testimony period for the party in the position of defendant to close:	December 30, 2007
15-day rebuttal testimony period for plaintiff to close:	February 13, 2008

Briefs will be filed in accordance with Trademark Rule 2.128(a) and (b).

Opposer respectfully requests that its motion be granted.

Respectfully submitted,

MARRIOTT INTERNATIONAL, INC.
