**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

LEO STOLLER,
CENTRAL MFG. CO.

Opposer,

Vs.

Opposition No: 91169502

LOVELAND PRODUCTS, INC.,

Applicant.

NOTICE OF FILING EXHIBITS TO MOTION TO COMPEL

NOW COMES the Opposer and files the attached exhibits as part of Opposer's Motion for to Compel. The Exhibits consists of two faxes one sent to the Applicant by the Opposer and one fax send to the Opposer from the Applicant evidencing that the parties engaged in a good faith effort by telephone and written faxes to resolve the discovery controversy and were unable to resolve it. Thus the Opposer filed its motion to compel today. This said notice and exhibits are incorporated into the said motion to compel as if fully copied and attached. Both Applicant's motion to compel and this notice of filing of the exhibits were filed on the same date. Although the applicant has attempted to show that Opposer's interrogatories are over the limit, this Board has previously ruled on Opposer's exact boilerplate interrogatories and has found them to be within the stated rules. The Opposer has been before this Board for 25 years and has filed hundreds of

inter party pleadings incorporating the identical boiler plate interrogatories and each and every time the Board has passed the test for being within the rules.

RESPECTFULLY

SUBMITTED,

/Leo Stoller/
