CONSENTED MOTION FOR EXTENSION OF TRIAL PERIODS

Opposer, Sprint Communications Company LP hereby requests that the Board grant a further two week extension of the trial periods in the subject Opposition.

The grounds for this request are that the parties have been unsuccessful in reaching a settlement and now require additional time to respond to discovery. The extension of the trial periods tracks the comparable extension of time to respond to discovery which has been agreed to by the parties.

Opposer has obtained Applicant's consent to both the extension of all dates.

If the requested extension is granted the dates should be reset as follows:

Thirty day testimony period

For party in position of plaintiff to close: July 11, 2007

Thirty day testimony period for

party in position of defendant to close: September 9, 2007

Fifteen day rebuttal testimony period to close October 24, 2007

Wherefore, Applicant requests that the Board grant the instant motion.
