CONSENTED MOTION FOR EXTENSION OF TRIAL PERIODS

Opposer, Sprint Communications Company LP, hereby requests that the Board grant a further two week extension of the trial periods in the subject Opposition.

The grounds for this request are that the parties have been unsuccessful in reaching a settlement and now require additional time to respond to discovery. The extension of the trial periods tracks the comparable extension of time to respond to discovery which has been agreed to by the parties.

Opposer has obtained Applicant's consent to both the extension of all dates.

If the requested extension is granted, the dates should be reset as follows:

Testimony period for party in position of plaintiff to close	July 11, 2007
Testimony period for party in position of defendant to close	September 9, 2007
Fifteen day rebuttal period to close	October 24, 2007

Wherefore, Applicant requests that the Board grant the instant motion.

Respectfully submitted,
