ANSWER TO AMENDED NOTICE OF OPPOSITION

Applicant AT&T Mobility II, LLC, assignee and successor of Cingular Wireless II, LLC, states the following for its Answer to the Amended Notice of Opposition of Opposer Sprint Communications Company L.P. (“Amended Notice”):

FIRST AFFIRMATIVE DEFENSE

The Amended Notice fails to state claims upon which relief may be granted.

ANSWER

1. Applicant denies the allegations of the first unnumbered paragraph of the Amended Notice that Opposer will be damaged by registration of the mark MORE BARS IN MORE PLACES, as shown in Serial No. 78/490,750. Applicant admits that the recited goods and services are covered by Application Serial No. 78/490,750. Applicant is without sufficient information to determine the truth or falsity of the remaining allegations of the said unnumbered paragraph and therefore denies all of the allegations not expressly admitted.

2. Applicant denies the allegations of numbered paragraph 1 of the Amended Notice.

3. Applicant denies the allegations of numbered paragraph 2 of the Amended Notice.

4. Applicant denies the allegations of numbered paragraph 3 of the Amended Notice.

5. Applicant denies the allegations of numbered paragraph 3(a) of the Amended Notice.

6. Applicant admits the allegations of numbered paragraph 3(b) of the Amended Notice.

7. Applicant denies the allegations of numbered paragraph 3(c) of the Amended Notice.

8. Applicant denies the allegations of numbered paragraph 4 of the Amended Notice.

9. Applicant denies the allegations of numbered paragraph 5 of the Amended Notice.

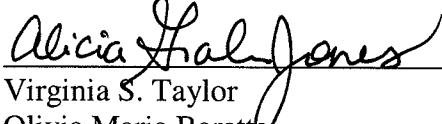

10. Applicant denies the allegations of numbered paragraph 6 of the Amended Notice.

11. Applicant denies the allegations of numbered paragraph 7 of the Amended Notice except that Applicant admits, on information and belief, that purchasers of telecommunications goods and services are interested in the network and in the signal strength among other features of wireless telecommunications services.

WHEREFORE, Applicant requests dismissal of the Amended Notice and the issuance of a registration of its mark in due course and such other and further relief as may be just and proper.

Dated: April 2, 2008

Respectfully submitted,

Virginia S. Taylor

Olivia Maria Baratta
