Opposition No. 91169765

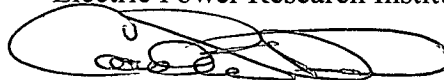

MOTION TO AMEND APPLICATION ON CONSENT

Applicant, pursuant to 37 C.F.R. §§ 2.71(a) and 2.133(a), and with the consent of Opposer S-T-N Holdings, hereby requests that the limitation “all of the foregoing not for use with database management for utilities and other energy distribution businesses” be added to the description of goods listed in International Class 9, so that the amended description of goods in the subject application will read as follows:

Computer software used to perform quantitative assessment of proposed turbine upgrades, none of the foregoing for use on or in connection with database management for utilities and other energy distribution businesses”, in International Class 9

As this amendment is limiting in nature, Applicant respectfully requests that it be approved and entered in the subject application.
