Mailed: December 5, 2006

Opposition No. 91171527

WYETH

v.

DANNMARIE, LLC

Thomas W. Wellington,

Interlocutory Attorney:

On November 24, 2006, applicant filed a copy of a stipulated proposed amendment to applicant's application Serial No. 78345039, and a withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, the parties agree to change the identification of goods **from** "nutraceutical for the relief of premenstrual syndrome" **to** "non-prescription and non-hormonal nutraceutical for the relief of premenstrual syndrome."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
