**NOTICE OF OPPOSITION**

MONSTER CABLE PRODUCTS, INC., a California corporation ("Opposer"), whose address is 455 Valley Drive, Brisbane, CA 94005-1209, believes that they will be damaged by the registration of the mark "MONSTER CONTROL" in International Class 9 (Audio and video recordings featuring music and animation; audio and video recordings featuring motion picture film and television programs featuring animation and music; video game cartridges; computer

screen saver software; computer programs and computer software featuring music, animation, and interactive games; spectacles and eyewear namely eyeglasses and sunglasses) on the Principal Register, as shown in the above-referenced application made by LIGHTSPEED ENTERTAINMENT, LLC ("Applicant"), and hereby opposes same.

The grounds for opposition are as follows:

1. Opposer has prior rights to the trademark MONSTER, as it first used said mark on May 18, 1978, and caused said mark to be placed in commerce on August 18, 1978 in connection with other goods, such as electrical and musical items.

2. Opposer is and has been for many years engaged in the manufacture, advertising and retail sales of the above mentioned goods and services. In connection therewith Opposer has used in interstate commerce throughout the United States the above-stated trademarks since long prior to the Applicant's application to register the trademark MONSTER.

3. Opposer owns Federal Trademark Registration No. 2,184,002, which was granted on August 25, 1998, for the trademark MONSTER for Class 9, namely electrical and musical signal transmitting cable and connectors. A true copy of said registration is attached hereto as Opposer's Exhibit A.

72. Opposer's products bearing the above-stated trademarks have been extensively and continuously offered to the public through various channels of trade. By reason of such distribution and advertising, the public has come to recognize marks bearing the word "MONSTER" as signifying Opposer and its individual products and family of products. Opposer has built up extensive goodwill in connection with the sale of products under its trademarks and family of marks.

73. Opposer is also the licensor of additional marks employing the term "Monster".

74. The intended trademark MONSTER CONTROL is confusingly similar to Opposer's above-stated individual trademarks and the MONSTER family of marks, and registration of Applicant's proposed mark and continued use by Applicant on its goods is likely to cause

confusion, deception and mistake. Applicant's use of said intended trademark interferes with Opposer's use of its above-stated trademarks and family of marks, and use or registration of its mark by Applicant will seriously damage Opposer. Furthermore, Opposer's MONSTER and family of MONSTER marks are famous and became famous before Applicant's date of application for Application Serial No. 78/614,307, and Applicant's use is likely to dilute the distinctive quality of Opposer's famous MONSTER and family of MONSTER marks.

WHEREFORE, Opposer MONSTER CABLE PRODUCTS, INC. prays that Application Serial No. 78/614,307 be rejected, and that the registration of the mark therein shown for the goods therein specified be refused and denied.

Respectfully submitted,
