Opposer's attorneys have received thousands of documents from Opposer's house counsel in Colombia for the purpose of formulating responses to discovery requests. In addition, there are sources of documents to be explored in the United States. The extension is requested to give Opposer's attorneys time to organize and review the documents and to formulate responses to the discovery requests. The discovery responses will have to be reviewed by house counsel in Colombia prior to be served.

Opposer further moves to reset the testimony period to the following schedule:

Opposer's testimony period to open	January 29, 2008
Opposer's testimony period to close	March 1, 2008
Defendant's testimony period to open	March 31, 2008
Defendant's testimony period to close	April 30, 2008
