House of Blues Brand Corp.

v.

Tomlinson, Andrea L.  
Wardell, Timothy E.

In reference to **Opposition No. 91173983** and **Serial No. 78776531** House of Blues Brands Corp v Andrea L Tomlinson and Timothy E Wardell. On behalf of myself and Tim Wardell, it was our intention to trademark **ONLY** the name Porn For Puritans, not the flaming heart logo as well. While we don't believe the logo would in any way cause confusion with the House of Blues Brand Corp., we are certainly willing to drop the logo design from our trademark application.

Can the current application be amended to apply to trademark the name Porn For Puritans or must we refile? Is there another form or procedure we need to file and if so please inform us what it is.

We are no longer represented by council, so please direct further communications to:

Thank you for your timely response,

A. Leigh Tomlinson (for Andrea Tomlinson and Tim Wardell)
