Opposition No. 91174648

William Grant & Sons, Inc.

v.

Craig Dieffenbach

On November 19, 2008, applicant filed a copy of an abandonment of its application Serial No. 78722859 that was filed with Opposition No. 91175596 on November 6, 2008.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.
