Opposer, by its attorney, hereby moves, pursuant to Trademark Rule 2.117(c), for a suspension of all proceedings for six (6) months, subject to the right of either party to request resumption of this proceeding at any time prior thereto.

As grounds in support of this motion, Opposer asserts that the parties, through their counsel, have been engaged in settlement discussions and have exchanged settlement proposals. Suspension is requested in order to allow the parties to maintain the status quo while the parties continue with this settlement dialog.

Both parties believe that the ongoing settlement discussions are worthwhile and that the parties may reach an informal resolution of the present matter. The requested suspension will allow the parties to continue to negotiate terms of settlement and to draft the necessary settlement documents.

Counsel for Applicant has been contacted and the undersigned certifies that all parties agree to submission of the present motion. Opposer's attorney has been authorized to submit this document on behalf of, and with the consent of, both parties to this Opposition proceeding.

DATED this 31st day of January, 2008.
