Opposition No. 91175341

MOTION FOR SUSPENSION FOR SETTLEMENT WITH CONSENT

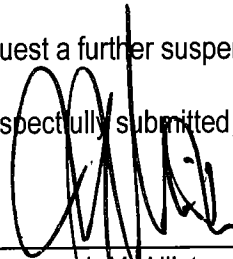

This Motion is in response to the Board's order of May 7, 2009 in the above-referenced opposition proceeding.

Opposer, F&C Management Limited, through its counsel, hereby requests a suspension of proceedings in the captioned matter for a period of sixty (60) days from May 8, 2009 to July 7, 2009. This suspension is being sought to allow Opposer and Applicant to continue their settlement efforts in this matter. Opposer's testimony phase opens on May 15, 2009 and ends June 14, 2009. The Parties seek a further suspension of the opposition proceedings so that settlement can be completed and the Parties can avoid having to enter the testimony phase. The Parties have reached an agreement on terms. The agreement has been finalized and Opposer has executed the agreement. Applicant's attorney is now in the process of having the agreement executed by Applicant. The Parties believe that a suspension request is appropriate to allow for the final execution of the agreement and settlement of this matter and to avoid having to litigate this matter further.

Opposer has secured the express consent of all other parties to this proceeding for the suspension requested herein.

Therefore, the Parties jointly respectfully request a further suspension.

Respectfully submitted,

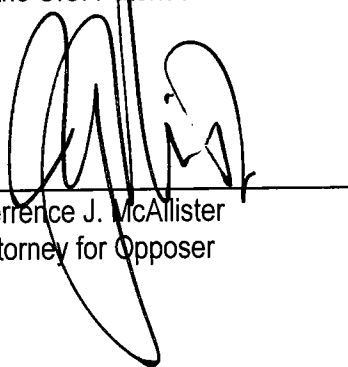

Dated: May 8, 2009
