Opposition No. 91176517

**MOTION TO EXTEND TIME TO RESPOND
TO OPPOSER'S DISCOVERY REQUESTS**

Pacific Blue Holdings Pty Ltd. ("Applicant"), through its undersigned counsel, hereby moves pursuant to TBMP § 509.01(a) to extend the time to respond to discovery requests served by JetBlue Airways Corporation ("Opposer") on counsel for Applicant on May 11, 2007.

As good cause for the motion, Applicant is a non U.S. company and counsel for Applicant is coordinating defense of this opposition proceeding with Applicant's counsel in Australia. Consequently, coordinating and responding to the discovery requests will require additional time. Moreover, Opposer's discovery requests are quite voluminous. The document production requests alone number 49 and were accompanied by 41 interrogatories.

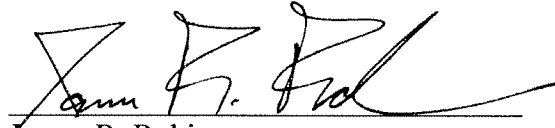

Applicant's Motion To Extend Time is not necessitated by lack of diligence or unreasonable delay but in anticipation of extra time that will be required to respond in light of the circumstances outlined above.

Applicant has attempted to secure this extension without involving of the Board by requesting for Opposer's consent to such extension. However, counsel for Opposer has declined to grant Applicant's request.

For the foregoing reasons, Applicant hereby requests that the amount of time allowed for it to respond to discovery requests served upon counsel for Applicant on May 11, 2007 be extended by thirty (30) days, up to and including July 10, 2007.
