Dear Ms. DelGizza,

I have just returned from being out of town for several weeks and found the letter that was mailed from your office on August 24, 2007. It is my intent to continue with this proceeding. My Trademark Attorney, Mr. Scott Fields, untimely death was not only very unfortunate for him and his family, it has caused a hardship for me as well. He has been my Trademark Attorney for the past seven years. I have not yet found a suitable replacement but I'm very close to securing one. For me, this could not have come at a worse time. I was in the middle of closing on the sale of one of my largest companies and expanding to seven more locations for another one of my companies.

It is my opinion, and that of the late Mr. Fields, that the opposition being posed by Sony BMG Music Entertainment to my mark is without merit. We had previously reached an agreement with their attorneys in which they were going to allow the mark without further opposition. The final details of this agreement were being made at the time of Mr. Fields passing. Please allow the proceedings to continue. A default judgment in this case would not be a fair conclusion in light of the circumstances.

I can be contacted at (937) 325-1266 or (937) 408-3055 if you have further questions.

Respectfully,

Jerry L. Clum, Jr.
