Opposition No. **91177403**

Digipress, Inc.

v.

Bella Media, LLC

Andrew P. Baxley, Interlocutory Attorney:

The Board has been made aware that applicant's involved application Serial No. 78697963 was also involved in Opposition No. 91174599 and that, in that proceeding, on January 9, 2008, judgment was entered against applicant, the opposition was sustained, and registration of the mark to applicant was refused.

While the entry of judgment in the other opposition does not dictate that judgment will automatically be entered in this case, the application will be abandoned in due course. Opposer is allowed until **thirty days** from the mailing date set forth in the caption of this order to inform the Board whether it wishes to go forward and obtain a judgment on the opposition. If opposer fails to respond to this order, the opposition will be dismissed as moot.

Proceedings are otherwise suspended retroactive to January 9, 2008.
