Tyrone Craven, Paralegal Specialist:

On August 13, 2008, applicant filed an abandonment of its application Serial No. 77002719 with an allegation of opposer's "consent".

The applicable rule is Trademark Rule 2.135, which provides that if, in an inter partes proceeding, the applicant files an abandonment without the **written consent** of every adverse party to the proceeding, judgment shall be entered against the applicant.

In view thereof, applicant is allowed thirty days from the mailing date of this order in which to submit opposer's written consent to the abandonment, failing which the opposition will be sustained and registration to applicant is refused.
