v.

Horizon Darts, Inc.

By the Trademark Trial and Appeal Board:

On April 4, 2008, the parties filed applicant's proposed amendment to its application Serial No. 78874923, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to add the wording "not relating to sports or a sports team except for the sport of darts" at the conclusion of the identification of goods.

The amendment is clearly limiting in nature as required by Trademark Rule 2.71(a). Because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
