Opposition No. 91178770

Dial Brands, Inc.

v.

After the Rain SA

On February 29, 2008, applicant filed its proposed amendment to its application Serial No. 79031552, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to change the identification of goods **from** "bleaching preparations and other substances for laundry use; cleaning, polishing, scouring and abrasive preparations for general purpose use; soaps; perfumery, essential oils, cosmetics, hair lotions; dentifrices" **to** "spa professional products prescribed in spa treatments, namely, soaps, perfumery, essential oils, cosmetics and hair lotions."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
