RE: TTAB Opposition Proceedings 91178801

Enclosed please find a Stipulation and Motion to Suspend the above proceeding. I have recently attempted, on three separate occasions, to file electronically Stipulations and Motions to Continue. Apparently, an error in ESTTA has prevented the enclosed documents from being transmitted when attached to the electronic submission cover sheet. Copies of ESTTA filing receipts are also attached.

Please advise at your earliest convenience whether the above motion is granted or denied.

Sincerely,
