v.

Novozymes Switzerland AG

Amy Matelski, Paralegal Specialist

Opposer's consented motion (filed January 11, 2009) for suspension for settlement does not include a report on the status of the parties' settlement negotiations, as required by the Board's November 3, 2009 order.

Accordingly, such is denied without prejudice.

Dates remain as last reset in the November 3, 2009 order.
