Genzyme Corporation

v.

Novozymes Switzerland AG

George C. Pologeorgis, Interlocutory Attorney:

The parties' stipulation (filed on April 13, 2010) to maintain the suspension of this proceeding for an additional ninety days pending the disposition of a related matter pending before the European Community Trademark Office is granted.¹

Accordingly, proceedings herein are suspended up to, and including, **July 13, 2010**, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

¹The Board finds good cause for the parties' suspension request inasmuch as it appears that the decision of the European Community Trademark Office may have a direct bearing on the parties' efforts to settle this proceeding. The parties are reminded, however, that there is a continuing obligation to provide good cause in the form of progress reports for any future suspension and/or extension requests.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out below.

Proceedings resume:	7/14/2010
Discovery Period to close:	10/12/2010
30-day testimony period for party in position of plaintiff to close:	1/10/2011
30-day testimony period for party in position of defendant to close:	3/11/2011
15-day rebuttal testimony period to close:	4/25/2011

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
