**MOTION ON CONSENT TO CONTINUE SUSPENSION OF PROCEEDINGS  
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order continuing the suspension of the proceedings in this matter for a period of six (6) months, until **November 7, 2008**.

Applicant’s counsel consented to this motion, which is requested to allow the parties to continue to engage in settlement discussions.

Progress has been made toward settlement of this matter. Since the proceedings were suspended, the parties, through their counsel, discussed revisions to a proposed settlement agreement and Opposer’s counsel has drafted a revised proposed settlement agreement based upon those discussions. The additional time is requested to allow Opposer to review the revised agreement, and for the parties to continue to explore a settlement of this matter.

If the Board grants this motion, in the event that the matter is taken out of suspense, Applicant’s time to answer or otherwise respond to the Notice of Opposition should be reset as should the discovery and trial periods. In the event that the Board denies this motion, Opposer

consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

The parties request that, in the event that the matter is taken out of suspense, six (6) months of discovery be allowed and that the discovery cut off be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods and other periods should be reset accordingly.
