Schering Corporation

v.

IDEA AG

Eric McWilliams, Supervisory Paralegal:

The Board's order also dated July 2, 2008, granting applicant's June 17, 2008 motion to reopen discovery is hereby vacated and replaced with the following:

Applicant's June 17, 2008 motion to reopen discovery and opposer's response thereto dated July 2, 2008 is noted. A decision on applicant's motion will issue in due course.

Applicant's consented motion filed June 11, 2008 to extend its time to respond to opposer's discovery requests, extend the testimony periods and to withdraw its June 9, 2008 motion is noted.

Applicant's June 11, 2008 motion is granted to the extent that applicant is allowed until August 18, 2008 to respond to opposer's discovery requests and the June 9, 2008 motion will

not receive any further consideration. Trademark Rule
2.127(a).¹²

¹The Board notes that applicant's June 9, 2008 motion failed to indicate proof of service on opposer as required by Trademark Rule 2.119. Strict compliance with Trademark Rule 2.119 is required by applicant in all future papers filed with the Board.

²Applicant's May 29, 2008 filing titled defendant's motion to extend, will not receive any consideration inasmuch as it appears to be copies of exhibits that were filed with the June 9, 2008 motion.
