v.

IDEA AG

Jennifer Krisp, Interlocutory Attorney:

Proceedings herein are suspended pending disposition of opposer's motion to compel and motion to test the sufficiency filed April 3, 2009, except as discussed below. The parties should not file any paper which is not germane to the motions. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motions will be decided in due course.
