CONSENTED MOTION TO SUSPEND PROCEEDINGS

Opposer moves with the consent of Applicant to suspend the above-captioned proceeding for **sixty (60) days**, including any obligation to file an Answer, because the parties both believe that good cause exists to suspend the proceedings to allow the parties to reach an acceptable settlement. The parties jointly submit that a suspension will help minimize their attorneys' fees and minimize the time imposition on the Trademark Trial and Appeal Board and its personnel.

On April 25, 2008, Joshua A. Lorentz, counsel for Applicant, Clopay Plastic Products Company, Inc., consented by e-mail to the suspension request.

At such time as the action is removed from suspension, if it is not settled, a new discovery and trial period schedule will be jointly proposed by Opposer and Applicant.

Accordingly, both parties move, with the Board's approval, that this proceeding be suspended for **sixty (60) days**, including any obligation to file an Answer in this proceeding.

This stipulated motion is not made for the purpose of delay. The purpose of this stipulated motion is to allow the parties to reach a settlement acceptable to both parties. The

parties believe they will be able to reach a settlement in this matter and need additional time to memorialize their agreement.

This consented motion is being submitted electronically via ESTTA.
