Opposition No. 91183575

Hollywood Casino Corporation

v.

JennTech Unlimited  
Corporation

On September 21, 2009, applicant filed an abandonment of its application Serial No. 78940727, with opposer's written consent.

In view thereof, application Serial No. 78940727 stands abandoned and Opposition No. 91181647 is **DISMISSED** without prejudice. See Trademark Rule 2.135.

On September 21, 2009, the parties also filed applicant's proposed amendment to its application Serial No. 77258924, with opposer's consent, and opposer's withdrawal without prejudice of Opposition No. 91183575, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "Amusement game machines; Coin-operated amusement machines; Arcade games; Action skill games; Action target games; Action-type target games; Coin-

operated video games" to "Amusement game machines; Coin-operated amusement machines; Arcade games; Action skill games; Action target games; Action-type target games; Coin-operated video games but excluding from the aforementioned goods, mechanical or electronic machines used for gambling in casinos, racinos, racetracks, or other gambling facilities, namely, slot machines, video lottery terminals or other video simulations of gambling devices."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, Opposition No. 91183575 is **DISMISSED** without prejudice.
