v.

BINATIONAL BROADCASTING
COMPANY, INC.

Elizabeth A. Dunn, Attorney:

Applicant's motion to extend its time to answer, filed May 13, 2008, fails to indicate proof of service on opposer, as required by Trademark Rule 2.119.

In order to expedite this matter, a copy of the motion is forwarded herewith to opposer's counsel. Notwithstanding the Board's willingness to effect service in this instance, strict compliance with Trademark Rule 2.119 is required by applicant in all future papers filed with the Board.

Opposer is allowed until fifteen days from the mailing date of this order to file its response, if any, to applicant's motion.
