Knox Associates, Inc. d/b/a
The Knox Company

v.

Pamci Networks Denmark ApS

By the Trademark Trial and Appeal Board:

Involved application Serial No. 79040769 became abandoned after Danish Registration No. 930045, upon which the involved application is based, was cancelled.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, an involved application becomes abandoned without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.
