REVISED MOTION FOR EXTENSION OF DISCOVERY AND TRIAL PERIODS WITH CONSENT

Pursuant to TBMP § 509.01(a), Opposer, Stretchline Intellectual Properties, Ltd. ("Opposer"), by its counsel, hereby moves for the extension of certain discovery and trial dates in this proceeding as set forth herein, for the purposes of continuing to conduct settlement negotiations.

The parties are currently engaged in settlement discussions. On October 16, 2008, counsel for Applicant and Opposer agreed, by email correspondence, to a sixty (60) day extension of all remaining discovery and trial dates in this proceeding. On October 17, 2008, Applicant electronically filed the consent motion, which was granted on the same day by the Trademark Trial and Appeal Board (the "Board"). Due to an error in the electronic filing, however, the deadline for the Initial Disclosures was incorrectly identified by the electronic filing system (ESTTA) as being "Closed" despite the original deadline (prior to the 60 day extension) being October 22, 2008. All other deadlines were properly extended by 60 days.

Accordingly, the Applicant requests that the Board apply the 60 day extension to the Initial Disclosure due date to accurately reflect the intent of the parties. With such extension properly applied to the Initial Disclosures due date, the schedule of all remaining discovery and trial dates in this proceeding would appear as follows:

Period	Date
Initial Disclosures Due	December 21, 2008
Expert Disclosures Due	April 20, 2009
Discovery Closes	May 20, 2009
Plaintiff's Pretrial Disclosures	July 4, 2009
Plaintiff's 30-Day Trial Period Ends	August 18, 2009
Defendant's Pretrial Disclosures	September 2, 2009
Defendant's 30-day Trial Period Ends	October 17, 2009
Plaintiff's Rebuttal Disclosures	November 1, 2009
Plaintiff's 15-day Rebuttal Ends	December 1, 2009

Dated: October 21, 2008

Respectfully submitted,

By: /s/ Gene K. Park
