v.

The Topline Corporation

**Angela Campbell, Paralegal Specialist:**

It has come to the Board's attention that the Board's decision listed one of applicant's serial numbers as 77264103 instead of 77274103, which is the correct application.

In view thereof, this order serves to modify the Board's decision to reflect the correct application and the amendment has been entered.

The Board regrets the error.
