IN THE UNITED STATES PATENT AND TRADEMARK OFFICE BEFORE THE
TRADEMARK TRIAL AND APPEAL BOARD.

Request for Accelerated Case Resolution regarding No. 9118742,

Sean Puffy Combs,

Opposer,

-against_

Pacific Rim Marketing, Inc.

Applicant

Administrative Trademark Judges Seeherman, Rogers, and Ritchie,

Dear Sirs,

Applicant has not received a request for a discovery conference as outlined in the due dates "Trial Dates Reset" dated September 2 2009, nor has Applicant solicited a conference from the Opposer as of 10/11/09.

Applicant believes that discovery has previously taken place, and furthermore, was under the impression that the TTAB Administrative Judges would render a decision to grant or deny the issuance of the Mark iDiddy, as applied for on April 25, 2005, issued August 19, 2008, and subsequently retracted on October 20, 2008, by order of the Commission of Trademarks due to opposition.

Applicant does not believe that anything new from Applicants side that will have an impact on the case. Each point that the Opposer has posed and submitted for response has been duly and respectfully answered, up to and including the "descriptive of the goods covered by it' application", the last issue which the applicant believes the court allowed to be considered.

REQUEST FOR ACCELERATED CASE RESOLUTION

Applicant respectfully requests that this matter to be determined through Accelerated Case Resolution, where the TTAB Administrative Judges make the final decision, based upon the facts presented to them after a review of the Opposer's claims and the Applicants response. Applicant would like the court to render their decision as quickly as possible based upon the facts as they have been presented.

Respectfully submitted to the TTAB Administrative Judges,
