ATTN: Trademark Trial and Appeal Board
(Karl Kochersperger, Paralegal)

I, Michael Jackson the applicant in response to opposition 911879450 showed cause why judgment by default should not be entered due to issues with the U.S. Postal Service not on behalf of the applicant. The Board's order of January 13, 2010 was returned as undeliverable by U.S. Postal Service with forwarding address on the returned envelope. Applicant responded to the requested discovery within thirty days of the date of the Board's decision. Applicant also contacted the Trademark office and updated mailing address with paralegal Karl Kochersperger on February 12, 2010. Applicant argues that the motion for default judgment should be denied, because applicant was diligent in complying with the Board's order, and the untimely service of discovery responses was due to a delay in receiving certain information from a third party Licensee. Triumph International Inc., c/o Venable LLP, Mark Harrison, and all representatives of Michael J. Jackson's estate have been notified by mail of the applicant's request and motion for the record.

Thank You,

Michael Jackson
