Detroit Red Wings, Inc.

v.

Red Wing Shoe Company, Inc.

Millicent Canady, Paralegal Specialist:

Opposer's consented motion (filed June 17, 2010) to continue suspension is granted as modified.

Because the parties are continuing negotiations for possible settlement of this case, proceedings herein are suspended until *three* months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

However, in order to avoid undue delay to the progress of this proceeding, the parties are advised that in order to continue suspension after this period expires, the parties will be expected to *report the progress of their settlement* to establish good cause for any continued suspension. This report should include: a recitation of issues that have been resolved, issues that remain to be resolved, and a firm timetable for resolution. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out below.
