TRADEMARK TRIAL AND APPEAL BOARD

v.

Fendi Adele S.R.L.,
Opposer

Opposition No. 91188983

**Applicant's Response To Opposer's Motion To Strike Applicant's Response To
Opposer's Notice Of Opposition**

The Applicant's response to the Notice of Opposition was apparent. The Applicant's answers are not arguments but his attempt to the proper "admitting or denying" the Notice of Opposition. Since the Applicant has not acquired legal representation, his responses are of his own admission, and not at the advice, suggestion or representation of any legal body. Having said that, it is the Applicant's hope that the Appeal Board take this aspect into consideration when evaluating his answers and that his answers not be rejected based solely on his not having formal legal guidance. It is the Applicant's request that the Opposer's Motion to Strike Applicant's Response to Opposer's Notice of Opposition is denied.
