**JOINT MOTION TO SUSPEND PROCEEDINGS**

The parties, through their undersigned counsel, jointly request that proceedings be suspended, pending resolution of the Motion to Amend Application.

On June 13, 2013, Applicant filed a Motion to amend its identification of goods. That Motion has been fully briefed, and is awaiting decision.

The scope of goods in the opposed application and the scope of issues in this proceeding may be affected by the Board's determination of the pending Motion. Consequently, in the interest of judicial efficiency, the parties wish to defer further proceedings until the Motion has been decided.

The parties advise the Board that they already have completed their exchange of initial disclosures, and that the deadline for that requirement need not be re-set. Upon resolution of the Motion, the parties request that the remaining dates on the trial schedule be

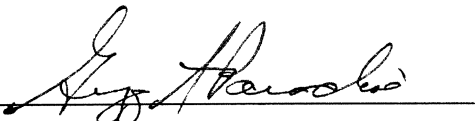

re-set, and include a reasonable period of time for the parties to conduct appropriate discovery.

Respectfully submitted,

**Johnson & Johnson**
