Opposition No. 91190326

TeleTracking Technologies,  
Inc.

v.

SecurLinx Holding  
Corporation

**By the Trademark Trial and Appeal Board:**

On May 31, 2011, applicant filed the parties' stipulation to amend applicant's involved application Serial No. 77561677, and to dismiss the above-captioned opposition without prejudice upon entry of the proposed amendment.

By the proposed amendment, applicant seeks to add the wording "; all for safety and security purposes" at the end of the identification of goods. The amendment is limiting in nature as required by Trademark Rule 2.71(a). Because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

In view of the entry of the amendment, the opposition is dismissed without prejudice.
