Opposition No. 91190444

Detroit Tigers, Inc.

v.

LTB Operations LC

**Jennifer Krisp, Interlocutory Attorney:**

On October 27, 2014, opposer filed the parties' motion on consent to amend applicant's application Serial No. 77510960.

By the proposed amendment, applicant seeks to file in the application a substitute specimen of use of the mark in commerce. The parties attached the substitute specimen of use as Exhibit A to their motion, and said motion includes an executed declaration under Trademark Rule 2.20 verifying that the substitute specimen was in use in commerce prior to the application filing date. *See* Trademark Rule 2.59(a). *See also* TMEP § 904.05 (2014).

Inasmuch as the submission of the substitute specimen of use of the mark in commerce meets applicable statutory requirements, and because opposer consents thereto, the submission is approved and entered. *See* Trademark Rule 2.133(a).

Opposition No. 91190444

If the submission of the substitute specimen of use of the mark in commerce in application Serial No. 77510960 resolves this proceeding, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. *See* Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
