Unimin Corporation

v.

DENTSPLY International Inc.

Jennifer Krisp, Interlocutory Attorney:

On October 2, 2009, applicant filed a proposed amendment to its application Serial No. 77530529, with opposer's consent.

By the proposed amendment applicant seeks to amend the identification of goods in International Class 1 **from** "chemicals in the nature of a refractory binder for investment casting" **to** "chemicals, namely, amorphous silica and aqueous colloidal solution for use as a refractory material in the precision investment casting industry and not for use in the glass manufacturing industry."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).¹

¹ Applicant should note that in 2004, the USPTO mailing address and location changed to the following: P.O. Box 1450, Alexandria, VA 22313-1450.

If this resolves the dispute herein, opposer is allowed thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).

Proceedings are otherwise suspended.
