Re: Clarins Group, v. JCA Development of Miami; Opposition No. 91191154

Dear Ms. Matelski:

I have filed electronically (on September 17, 2009) the same Answer previously filed, with only the Opposition number inscribed. The Answer was previously sent for filing to the TTAB with only the Application number for the trademark, i.e., 77629620. It was signed, filed with the agency and served on opposing counsel well within the time provided by the rules.

Please accept this as our show cause for removal of the default.

Very Truly Yours,

Xavier L. Suarez
