George Shokrola

v.

XM Satellite Radio Inc.

**Michael B. Adlin, Interlocutory Attorney:**

Applicant has apparently done all it reasonably can to "meet and confer" with opposer. Accordingly, proceedings herein are suspended pending disposition of applicant's supplemental motion to compel, filed July 19, 2010, except as discussed below. Opposer's substantive response to the motion to compel is due within **TWENTY DAYS** of the mailing date of this order. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and
