Clara Vela, Paralegal Specialist:

Applicant filed on June 10, 2010 a consented motion indicating that the previous motion filed and granted via ESTTA on June 4, 2010 contained incorrectly deadlines for the answer and trial dates. Applicant also included a corrected trial schedule that includes the time to file an answer.

Accordingly, the Board's June 4, 2010 order is hereby vacated; applicant's consented motion filed June 10, 2010 is granted with the new case schedule reset as set forth in the motion.
