Opposition No. 91192436

Motorola, Inc.

v.

Freeverse Corporation

On February 2, 2010, applicant filed its proposed amendment to its application Serial No. 77553392, with opposer's written consent. Subsequently, on February 10, 2010, opposer filed a withdrawal of its opposition with prejudice, pursuant to a settlement agreement.

By the proposed amendment, applicant seeks to change the identification of goods **from** "Computer application software for mobile phones; Computer game programs; Downloadable electronic game via the internet and wireless devices" **to** "Computer application software for mobile phones featuring motorcycles or racing; Computer game programs featuring motorcycles or racing; Downloadable electronic game via the internet and wireless devices featuring motorcycles or racing."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer
