Opposition No. 91192547

Couch/Braunsdorf Affinity,
Inc.

v.

Perkstreet Financial Inc.

On October 3, 2012, the parties filed applicant's proposed amendment to its application Serial Nos. 77673497 and 77673499, with opposer's written consent and a stipulated withdrawal of the opposition and counterclaims with prejudice.

By the proposed amendment applicant seeks to delete International Class 35 in its entirety from the recitation of services in application Serial Nos. 77673497 and 77673499 and proceed with International Class 36 only.

When an applicant files a request to amend a multiple class application to delete entire classes of goods or services, the request for amendment is, in fact, an abandonment of the application with respect to those classes. See Trademark Rule 2.135.

Accordingly, inasmuch as opposer consents thereto, application Serial Nos. 77673497 and 77673499 stands abandoned as to International Class 35 only.¹

In view thereof, the opposition and counterclaims are dismissed with prejudice. See Trademark Rules 2.106(c) and 2.135.
