Opposition No. 91193096

Rudolf Wild GmbH & Co. KG,  
WILD Flavors, Inc.

v.

GGW Marketing, LLC

**By the Trademark Trial and Appeal Board:**

On February 8, 2011, applicant filed the parties' stipulation to amend applicant's involved application Serial No. 77382449 and to the dismissal of the opposition without prejudice upon entry of the amendment.

By the proposed amendment, applicant seeks to delete "Alcoholic essences; Alcoholic extracts; Alcoholic fruit extracts;" from the identification of goods.<sup>1</sup> The proposed amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because opposer consents thereto, the amendment is approved and entered. See Trademark Rule 2.133(a). In view of such entry, the opposition is dismissed without prejudice.

---

<sup>1</sup> Instead of merely reciting a proposed amended identification of goods, an amendment should clearly identify the proposed changes, e.g., by redlining or some other means.
