Kellogg North America
Company

v.

Classic Cooking LLC

On December 10, 2012, opposer filed a stipulated amendment to subject application Serial No. 77484516, and contingent withdrawal without prejudice of the opposition.

By the proposed amendment, applicant seeks to delete the wording "veggie food products, namely, vegetable cutlets, vegetable nuggets; vegetable based meat products, namely, meat soufflés" and "vegetable based patties and" from the identification of goods in International Class 29¹, so the remaining identification of goods will read as follows:

Vegetable pancakes; vegetable soufflés and diet vegetable soufflés, vegetable soufflés and diet vegetable soufflés with fish, cheese soufflés, frozen packaged entrees consisting of fish based patties, soups.

¹ The identification of goods in (unopposed) International Class 30 remains unchanged.

Opposition No. 91194881

Inasmuch as the amendment is limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
