Marshfield Utilities

v.

Energy Curtailment Specialists, Inc.

Veronica P. White, Paralegal Specialist:

Opposer's consented motion (filed May 28, 2014) to extend expert disclosure, discovery and trial dates is granted for good cause shown. Trademark Rule 2.127(a). Accordingly, trial dates are reset in accordance with opposer's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

As a final matter, the parties are reminded that in the event that either party files a motion to extend or suspend any of these dates, they remain under obligation to support any such motion with a detailed report of the reasons therefor, including details of settlement efforts, if any. For further explanation of this requirement, the parties are referred to the Board order issued August 12, 2013. **Absent such a report, any future motion to extend or suspend may be denied, even if agreed to by the parties.**

If, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹
